# VETERINARY RADIOLOGICAL CERTIFICATE

## SHOULDER EVALUATION

**RAD23080**

**Examination date:** 4/11/2023

**Patient:** Gem Amethyst Auksinis Feniksas of Amberhall

**Owner:** MEC Beccaro

**Breed:** Rhodesian Ridgeback

**Gender:** Female

**Microchip number:** 900141000206381

**DOB:** 4/3/2022

**Radiologic evaluation:**

This is to certify that I examined mediolateral shoulder radiographs for the above dog.

Based on the radiographs presented, the dog has no evidence of shoulder osteochondrosis or other significant shoulder pathology.
