

Dear veterinarian/owner

Attached please find your dog's HD/ED certificate in PDF format.

On receiving the certificate

- please append the certificate to your dog's or client's electronic clinical records as it will only be available on the website for 3 months
- you can forward it electronically to owners or breeders or potential buyers by e-mail
- you can print out the certificate, preferably in colour.

The advantage of this is that if the hard copy certificate is misplaced, you will have an electronic record, and can replace it easily. Should a new electronic certificate be requested an administrative fee will be charged.

Sincerely

The Vet Imaging Specialists Team
